

Dear Parent/Guardian,

We are looking forward to an exciting and successful school year with your child. In order to make this year a productive and pleasant one, it is imperative that your child comes to school with his/her supplies.

Attached you will find, a list of supplies necessary for the upcoming school year. Students will need to bring most supplies with them on a **daily basis**. However, some supplies are considered “**Community Supplies**”. These supplies will be stored by the homeroom teacher and shared amongst the class.

Your child will transition between rooms for Reading, Writing, and Math. They will carry their bookbag with them between these classes, so that they are prepared with the proper supplies.

It is imperative that your child is prepared each and every day, with their pencil case and required supplies, ready for success.

Respectfully,

The 5th Grade Team

5th Grade Supply List

A checklist of things every scholar should have on hand on his/her first day.

Be prepared! Print this list and check off items as you assemble your kit.
